Covenant House
Washington’s mission
is to empower, safeguard and serve youth experiencing homelessness, disconnection, and exploitation in the Greater Washington region.

We invite you to join our community of generous givers by becoming a sponsor of this year’s Covenant House Greater Washington That was Then, This is Now – 25th Anniversary Celebration!

Founded in 1995 under the direction of its first Executive Director, former District of Columbia Mayor and current Ward 7 Councilmember, Vincent Gray, Covenant House Greater Washington began serving homeless and disconnected young people from a simple storefront in the Southeast area of Washington, DC. Three years later, in 1998, it opened an emergency housing shelter in Ward 8 of the District, serving 18-21 year-old young adults and their children. Since then, Covenant House Greater Washington expanded its immediate safe housing programs to include four (4) housing programs; Overnight Respite, Emergency (90 day) and Transitional Housing (18-24 months).

In 2020, Covenant House Greater Washington continues to proudly serve as a leading nonprofit supporting young people ages 18-24 in DC, Northern Virginia, Montgomery and Prince George’s Counties who are experiencing homelessness, disconnection and exploitation.

This year’s event will highlight milestones across twenty-five years – Covenant House Greater Washington has served more than 50,000 young people!! You will meet some of these phenomenal young people at the gala.
